At this time when "a young man's fancy lightly turns to thoughts of love," and when presumably a young maiden's fancy is turned in the same direction, it is not strange that the balmy air should be surcharged with matrimonial unions. Yes, there are lots of them, keep lookout for diamond rings from now on until the first of July. There will be some surprises.

New Clothes for Spring.

Few clothing houses in the west have the facilities for buying that Herman Bros. have and few if any of them can show as large and fashionable line of garments as this firm is showing this season. This firm being extensive wholesalers of clothing, hats, caps and furnishing goods, always buy in immense quantities and buying thus they get the advantage that no other house in the city obtains. In fact their orders are so large that they often go into the factory to select their goods and have them made up especially for their trade. And not only have they a large wholesale trade but also own several other stores throughout the state that are supplied from their Lincoln house.

These points all well considered, does it not go to reason that no retail house can offer goods as cheap or show as large an assortment? Their line of spring goods is now all in and the trade that they are having this season demonstrates the fact that their bargains are appreciated. Their stock of new suits for men and boys was never so large and complete as now and the goods shown in the furnishing department is by far the most attractive ever seen in this city, including all the latest things in shirts of all kinds, neckwear, hosiery, underwear and all the various other little things that go to make up man's attire. In the line of hats this firm is showing every conceivable new thing that has thus far been introduced and the man that cannot here find a choice, certainly his is a fruitless search. Everything in soft and stiff hats are now in and comprise all the latest blocks, all offered at less price than you will be able to duplicate them for at any other house in the city. Herman Bros. is certainly the place for all young men to go to be clothed. There you will always get your money's worth, cordial treatment and just what is represented. Their place of business is 1019 O street, a most central location, and they will be pleased to show you their goods at any time if you will stop in when passing. Remember the place and don't fail to call before buying your spring outfit.

Opportunity.
Master of human destinies am I,
Fame, love and fortune on my footsteps wait.
Cities and fields I walk. I penetrate
Deserts and seas remote. And passing by
Hovel, and mart, and palace, soon or late
I knock unbidden once at every gate.
If sleeping, wake; if feasting, rise before
I am away; it is the hour of fate.
And those who follow me reach every state
Mortals desire, and conquer every foe
Save death; but those who doubt or
hesitate,
Condemned to failure, penury and woe,
Seek men in vain, and uselessly implore;
I answer not, and I return no more.

But fail not in this respect:
Seize every opportunity to travel
Over the Chicago, Milwaukee & St. Paul
Railway.

A Red Letter Day.
February 6th was a red letter day for Chamberlain & Co., Des Moines, Iowa. They made their first shipment of goods to the Hawaiian Islands on that day. It consisted of 100 cases containing over four hundred dozen of their medicines, to the leading wholesale drug house in Honolulu. A large share of this shipment consisted of Chamberlain's Cough Remedy, so much esteemed wherever it is known for its cures of colds and as a preventive and cure for croup. Chamberlain & Co., have contracted for advertising in all the leading newspapers in the Hawaiian Islands, and expect to make their remedies as popular there as they are in any part of the United States. The Shah of Persia

Though advanced in years, has hair of raven hue. Gray hairs are strictly prohibited in his dominions, and hence the large shipments to that country of Ayer's Hair Vigor, by the use of which the Shah's subjects save not only their hair but their heads. Ayer's Hair Vigor restores the natural color of the hair. It should be on every toilet-table.

"Some time ago my hair began to fade and to fall out so badly that I thought I should be bald; but the use of Ayer's Hair Vigor has restored the original color and made my hair strong, abundant, and healthy. It does not fall out any more."—Addie Shaffer, 540 Race st., Cincinnati, Ohio.

"My hair (which had partly turned gray) was restored to its youthful color and beauty by the use of a few bottles of Ayer's Hair Vigor. I shall continue to use it, as there is no better dressing for the hair."—Gailo Gapp, Georgiana, Ala.
